

BUBBLEWRAP

Players each choose a different rhythm to start which is played (X) times - all rhythms will be played successively (X) times. This number is agreed on before. When all rhythms have been played (X) times, the performance is finished.

Map all parameters <density/dynamics/timbre/pitch> to the curve <phrase/form>

Players may pop out with a very short improvised phrase once during the cycle of each rhythm.

Total duration ~ 8' ♩=100
